INDUSTRIAL DEVELOPMENT ORGANIZATION

UNIDO at a glance

The United Nations Industrial Development Organization (UNIDO) is the specialized agency of the United Nations that promotes industrial development for poverty reduction, inclusive globalization and environmental sustainability.

UNIDO's mission is to promote and accelerate inclusive and sustainable industrial development in developing countries and economies in transition.

UNIDO programmatic focus is structured in four strategic priorities.

Creating shared
prosperity

Advancing economic
competitiveness

Safeguarding the
environment

Strengthening
knowledge and
institutions
