

姪浜校区基礎調査箇所

- 
- This map displays the Mita Ward (姪浜校区) with various hazard zones and investigation points. The background is a detailed street map. Hazard zones are color-coded: red for existing special landslide hazard zones (レッドゾーン) and yellow for existing landslide hazard zones (イエローゾーン). These zones are primarily located in the upper and right portions of the map. Purple dashed lines delineate the elementary school district (小学校区). Green outlines indicate basic investigation points for landslides (土石流), and blue outlines indicate basic investigation points for steep slopes (急傾斜地). The map shows a river or canal running diagonally from the bottom left towards the right side.
- 既存土砂災害特別警戒区域(レッドゾーン)
 - 既存土砂災害警戒区域(イエローゾーン)
 - 小学校区
 - 基礎調査箇所(土石流)
 - 基礎調査箇所(急傾斜地)
