

堤地区基礎調査箇所

- 既存土砂災害特別警戒区域(レッドゾーン)
- 既存土砂災害警戒区域(イエローゾーン)
- 小学校区
- 基礎調査箇所(土石流)
- 基礎調査箇所(急傾斜地)

堤地区基礎調査箇所

- 
- This map displays the Tsutsumi area with various geographical and administrative boundaries. It highlights existing landslide risk zones in red (Red Zone) and yellow (Yellow Zone). Primary school districts are outlined with dashed purple lines. Green solid lines indicate basic investigation points for landslides, while blue solid lines indicate basic investigation points for steep slopes. The map also shows a network of roads and rivers.
