

# Shooting in Fukuoka with a Cruise Line

On Thursday, May 28th, 2015, we took Costa Cruises' PR and shooting staffs to a tour visiting various areas in Fukuoka. They photographed these sites to introduce their guests the attractiveness of Fukuoka as a port of call. Costa Cruises brings many cruise ships to Fukuoka.

Thanks to cooperation by Fukuoka Convention & Visitors Bureau, Fukuoka Film Commission, Fukuoka City's Economy, Tourism & Culture Bureau, they could shoot many places in Fukuoka City such as the cruise center, temples, shrines, restaurants, souvenir shops and Fukuoka Tower though they only had only one day. The Costa staffs said, 'I visited Fukuoka for the first time. Fukuoka is really a great place. I hope to come again and live in the city.' and 'I have been to Fukuoka several times but found new attractiveness of the city.'
