

# Chuo Wharf Cruise Center Offering Better Service for Visitors

Chuo Wharf Cruise Center opened on May 17, 2015 is crowded with visitors from a number of cruise ships calling at Hakata Port every day.

The opening of the center has enabled the port to complete the immigration procedure of over 2,000 passengers in one hour. The center offers free Wi-Fi service and becomes popular among cruise ship crews.

Two local major banks also placed machines for foreign currency exchange at the center, offering convenience to not only passengers who go sightseeing but also crew members.
