

12

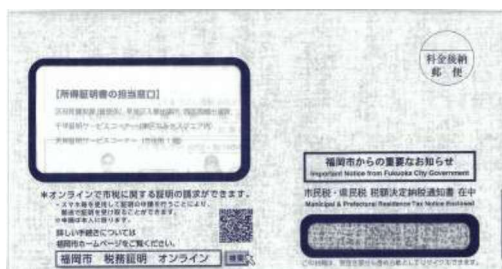

Tax Payment

Taxes must be paid by the due date at convenience stores or banks or with smartphone payment apps (e.g. PayPay), etc.

1

Municipal tax/prefectural tax

- If your income exceeds one million yen during the previous year (January to December), you may be subject to municipal and prefectural taxes.
- Payment will be made in four installments per year.

A tax payment notice will be sent to you around June 15.

Payment due date

1st term
June 30

2nd term
August 31

3rd term
October 31

4th term
January 31

2

Light vehicle tax

This tax is levied on owners of motorized bikes, light motor vehicles, etc., that have a main parking space in the city as of April 1.

A tax payment notice will be sent to you around June 15.

Payment due date: May 31

13

Tax Certificate [for Extension of Period of Stay, etc.]

When renewing your period of stay, the Immigration Services Bureau may require you to submit your Certificate of Taxation/Non-taxation of Municipal and Prefectural Taxes (Certificate of Income) or Certificate of Tax Payment.

1

Municipal tax/prefectural tax

- It certifies the amounts of individual municipal and prefectural taxes, income, etc.
- In the following cases, you have to declare your income.
 - (1) In the case where your employer has not submitted your payroll report to the city
 - (2) If you had no income

2

Certificate of Tax Payment

- It certifies the taxable amount, paid payment, etc., of municipal tax.
- If you have not paid, you can only obtain a certificate that shows the unpaid amount.

14

Disposition for Non-payment

1

If you cannot pay tax

- Please consult us as soon as possible.
- If you do not pay or consult us, your property may be investigated or seized.

2

If you do not pay by the due date

- You cannot obtain the tax payment certificate required for the renewal of your period of stay.
- Delinquent fees may be charged.
- Your deposits, wages, and other property may be seized.
