

香椎下原校区基礎調査箇所

- 
- This map displays the Kaizuka Shimo-hara School District, highlighting areas with existing landslide hazards and designated investigation points. The background shows a detailed street map of the district. A dashed purple line delineates the school district boundary. Two types of landslide hazard zones are shown: 'Red Zones' (existing landslide disaster special warning areas) in orange and 'Yellow Zones' (existing landslide disaster warning areas) in yellow. Investigation points are marked with blue outlines for steep slopes and green outlines for landslides. The map is titled '香椎下原校区基礎調査箇所' (Kaizuka Shimo-hara School District Basic Investigation Points).
- 既存土砂災害特別警戒区域(レッドゾーン)
 - 既存土砂災害警戒区域(イエローゾーン)
 - 小学校区
 - 基礎調査箇所(土石流)
 - 基礎調査箇所(急傾斜地)
