

大池校区基礎調査箇所

- 
- This map displays the Daichi Campus area, highlighting specific locations for basic investigation. The map includes a street grid, a river, and various colored overlays. Orange and yellow shaded regions indicate existing landslide hazard zones (Red and Yellow Zones). A dashed purple line outlines the primary school district. Blue outlines mark the investigation points, which are categorized into two types: landslides (green outlines) and steep slopes (blue outlines). The legend in the bottom right corner provides the key for these symbols.
