

Community organizations (known as *jichikai* or *chōnaikai*) are your closest autonomous organizations.

# Information on Community Organizations

Examples of community activities:

Various activities are available in your local community. Why not join in?

## Events for residents

## Monitoring children's safety

## Disaster mitigation

## Crime prevention

## Community clean-ups

## Support for aged residents

Membership fees are used for a variety of activities, including installing and managing security lights, cleanup activities and more. The amount of membership fees and how they're spent depend on your local organization.

Contact the Community Initiative Support Section at your local ward office on the phone number below if you want to join a community organization.

How to join your local community organization
